Credit Card: Please charge my credit card the amount of \$_____

Visa Mastercard

Card Holder Name: _____

Card No.: _____ CVC No.: _____

Expiry Date: _____ Signature: _____

By far the biggest challenge facing the College is the need to replace buildings and amenities that have been lost because of the earthquakes. The Board of Proprietors face a massive challenge with demolished and aged buildings needing to be replaced and ever-increasing costs for building. In 2013 the Association committed to help the College with Project Rebuild and specifically opted to work with the Foundation to raise money for a new chapel. It did so with the realisation that the demolition of the old Chapel in 2012 had deprived the College of its spiritual base and that the historical role of the Association had always been to provide support when asked.

In September 2017 the "A Little from a Lot" campaign was launched. The Association and the Foundation committed to raise \$1.5m of the \$3.5m cost for this building. At the time of writing the response from the old boys and friends of the College has been excellent with over \$500,000 raised by the end of February 2018. The new chapel will be located at the front of the College and will serve future generations of Bedeans for many years. For further information please go to www.oldboys.stbedes.school.nz/chapelappeal

S.B.C.O.B.A.

The SBCOBA was formed on 16th November 1924 at a meeting presided over by the then Rector, Dr Victor Geaney. The first committee was elected at that time and since then the Association has played an active part in keeping Old Boys in touch with one another and with the College.

The Association was extensively involved in the successful centennial celebrations in 2012. The resounding success of this occasion, especially the high levels of re-engagement, led to the executive re-appraising the Association's future role. A key factor in this re-appraisal was the decline in subscriptions in 2013 and a growing awareness that changing social patterns would make the future of the Association more difficult and that membership would continue to decline unless there was a change in direction.

The Association recognised that it needed to be seen to offer a more meaningful programme to its old boys and it needed to also develop a more regular income. To this end it received Board approval to introduce a pre-paid membership scheme whereby boys, whilst still at the College, would voluntarily pay a life-time membership. Given this commitment the executive then looked at ways in which it could support the College. Consequently two new initiatives will be launched this year and the Association will sponsor each event.

In 2014 the Association launched two new initiatives both of which were part of the revitalisation campaign. These were

- The After 5 Business Network (see overleaf)
- Regional gatherings (Sydney, Auckland and Wellington)

In 2015 it sponsored the Year 13 Leavers Breakfast, the new year 9 parents cocktail party and the year 13 ties.

These events have been developed in conjunction with the College and are intended to further the College's links with its parent community and also to improve the Association's profile.

Subdued Crest

Merino Top

College glasses available from College Shop.
Beer / Pilsner 13oz. Still Wine 11¾ oz. Flute 5¼ oz.

In 2014 the Association launched in Christchurch the After 5 Business Network. To date two meetings have been held and these have proved highly successful.

The Association has launched this initiative because it is keen to establish links with old boys in business, with parents of students and with year 12 and 13 students who will shortly leave the College.

The After 5 sessions will feature:

- Guest speakers
- Opportunities for business to business networking
- Business listings on the College website - www.stbedes.school.nz
- Opportunities to profile your business
- Vocational sessions for students seeking advice/knowledge of employment opportunities.

ANNUAL GOLF TOURNAMENT

The highly popular Annual Golf Tournament will be held at the Waitikiri Course on 21 September.
